

SMFNB Patient Flu Vaccine (2009 H1N1 Vaccine)

H1N1 Vaccinations are available! Please read below.

The intranasal (mist) **and** preservative-free injectable (shot) of the H1N1 flu vaccine **is available** for **ALL Sutter Pacific** (formerly Sutter Medical Foundation North Bay) **patients**.

- Vaccination at no charge
- Vaccination at your local provider office
- Vaccination for patients of any age

Please call your physicians office to schedule a vaccination. For a list of offices, phone numbers, and hours, click the link below (or copy into your browser's address)

<http://www.sutternorthbay.org/Locations/carecenters.html>

Seasonal flu vaccine is also available at many physician offices; contact your primary care provider for more information.

Non Sutter patients may get vaccinated through public H1N1 flu clinics in the area; call the Sonoma County Public Health Line at 565-4477 or visit online at www.sonoma-county.org/h1n1.

For continuing vaccine updates, visit www.sutternorthbay.org

**Please call your Sutter physician's office
and schedule a vaccination today!**
